July 1, 2010

To: Members of the UFCW Professional Division

On July 1, 2010, your UFCW Local Union Presidents sent contract opening letters to Albertsons, Ralphs and Vons requesting that negotiations for the 2011 Pharmacist Collective Bargaining Agreement commence immediately. Copies of these letters are posted on our Professional Division web site, [www.UFCWRX.org](http://www.UFCWRX.org).

One of our main goals during these negotiations will be to bargain a stand alone Pharmacists' agreement. Since this will require several negotiating sessions, we are hopeful that your employer will agree that bargaining early is essential.

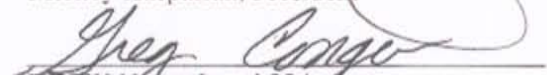

We are forming a Pharmacist contract advisory committee for these negotiations. This group will participate in periodic meetings or conference calls to receive updates and discuss issues and strategy. If you are interested and willing to make a commitment to this process, please visit our web site, [www.UFCWRX.org](http://www.UFCWRX.org) and sign up.

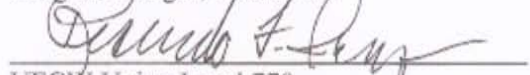

We also invite you to friend us on facebook and follow us on twitter so that you can be certain to have the most up to date information regarding these negotiations and other matters of concern to our pharmacist members.

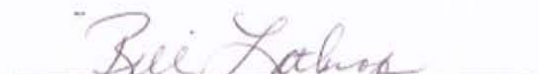

With your strength and solidarity we will succeed in achieving our goal during these negotiations of bargaining a contract which addresses the issues unique to our pharmacist members.

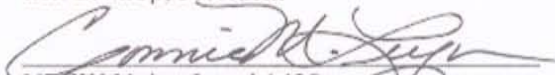

Sincerely and fraternally,
